

Limitless Theater for Exceptional Actors

Application Form—Fall 2022

The Green Room Community Theatre believes deeply that all people should be given the opportunity to experience the magic of live theatre- both in the audience and on stage. We have created a new theatre class for our teens and adults with special needs. They may have cognitive and/or physical disabilities.

This class will be a special addition to our Creative Works. The class is lead by certified teachers and assistants with Theater or Special Education degrees or training. They will teach basic drama techniques and theater elements including movement, games, music, stage presence, makeup, lighting, sets, and much, much more. We will keep class size small in order to provide a more focused experience for our students. We hope to spark each actor's creativity, confidence, social interaction, and self-esteem. And they'll perform with their friends at our final showcase - a joyful night of fun and entertainment that's open to all.

- The class will be every Tuesday 4-5:30 beginning September 13th. It will run until November 8, 2022 with a final performance on Friday, November 11th.
- The cost for the semester is a \$50 deposit. If your child completes the entire semester, that deposit will be returned to you.
- All participants need to be able to take care of their personal needs unless accompanied by a care giver. If your child has a “one-on-one” worker, they are invited and encouraged to attend and participate as well at no additional charge.
- This is an active participation class. Students are not required to be verbal but do need to be able to follow simple instructions.
- The class is for ages 15 and up.
- Space is limited. **Applications are due by August 30.**
